Warranty

- Clean your melamine tableware by hand or in the dishwasher <45 C.
- Use a ph-neutral washing liquid.
- Use the Gimex melamine cleaner for stubborn dirt.
- Do not use abrasives, scouring sponges or other aggressive cleaning agents.
- Please note that the use of metal cutlery on melamine products can also lead to damage.
- Do not use melamine tableware in the microwave.

Gimex rejects product liability if the user does not follow the above recommendations. The product has a warranty period of 4 years after purchase and is extendable with 1 year by online registration. The extended warranty applies only to melamine tableware. All other Gimex products have a 2-year warranty.

The warranty covers all parts that need to be replaced due to material and/or production defects.

The warranty does not cover: improper use, tea or coffee stains, breakage due to excessive temperatures >85°C, metal marking or scratches caused by cutlery, improper cleaning and normal wear and tear of the product.

If you discover a defect in the product that is covered by the warranty, return the product to the dealer where you purchased it. If this is an online dealer, you must describe the complaint in detail and prove it with detailed photos. At the bottom of the product you will find a Gimex production stamp, this must be included at all times. At the time the claim is justified, we will work with you to find an appropriate solution. Without original proof of purchase, no claim can be made under the warranty.
